DEDICATION

Mr. Joseph Robillard

Mr. Robillard, whom we lovingly call Robes, started working at Methuen High School thirty-three years ago right after graduating from Boston University with a major in Physical Education. In those thirty-three years, Robes has enjoyed countless memories. When asked about those memories, he simply said, "There have been so many great laughs with the kids, and as a coach, some enjoyable, last second wins." Robes wants to be remembered as a good guy who truly cared about his students. "I love the kids and will truly miss them." Robes, we speak for the entire senior class, MHS student body and staff when we say we will all miss you just as much. Thanks for thirty-three wonderful years! Best of luck!

Ms. Diane Dandreta

Ms. Dandreta has worked at Methuen High for twenty-two years out of her thirty-eight years of teaching. She graduated from Salem State with her Bachelors degree and later received her Masters degree from Lesley College. When asked what she will miss most about Methuen High School, she replied without hestation, "students and staff members that I've met and worked with throughout the years." Though Ms. Dandreta heads into retirement, she still hopes to work in the field of education even if it doesn't involve a classroom setting. All of us, staff and students alike, will miss you. Thank you! We wish you all the best!

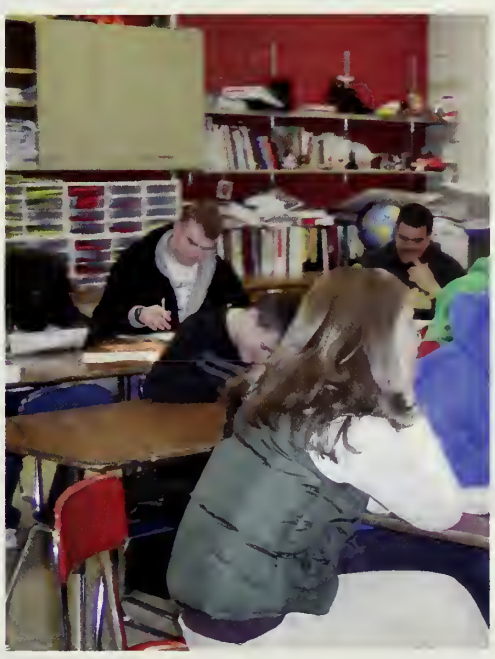
The Graduated Curriculum Program (GCP) is designed to have each and every student achieve optimum academic, vocational and life success based on his or her strengths, limitations, and academic abilities.



2008

Faculty & Staff

Administration

"I have very much enjoyed having the Class of 2008 here at Methuen High School for the last four years. You have distinguished yourselves in many ways, from fundraising for the victims of Hurricane Katrina to the Tsunami Relief Fund and the Lawrence fire tragedy to various athletic championships in addition to academic awards. I know that the members of this class will go out into the world after graduation and become successful in life. Best of luck in your future endeavors!"

Musical

The 2008 MHS musical was the Tony award-winning rock musical, Pippin. The show, with words and music by Stephen Schwartz, features great musical numbers such as Magic to Do, Love Song, With You and the ever popular Corner of the Sky. Choreographers, Kacey Oreal and Kallie Nordengren truly inspired the actors to an exceptional level of performance. The cast included students from every grade level.

Ryan LeBlanc and Dana Shaffer shared the role of The Leading Player, the character who pulled the strings leading Pippin on his search for fulfillment. Sean Clancy brought a certain charm to the role of the intimidating Charles the King. His devious wife, Fastrada, was stylishly portrayed by Erin Wholley, and his son, Lewis, the brave but dull-witted soldier, was hilariously bought to life by Christian Murphy. Mary Kate Kelley was inspiring in her portrayal of the very wise Berthe, Pippins grandmother. Additionally, Logan Stansbury and Tyler Stansbury, sons of Lt. Col. & Mrs. Bernie Stansbury of North Reading played the role of young Theo. He was the son of Catherine, Pippins love interest, who was masterfully played by Brianna Heffernan. Lastly, Javier Grullon WAS Pippin. His musical ability was perfectly suited to enhance the story of Pippin and his pursuit of his very own Corner of the Sky. Rounding out this tremendously talented cast was Stephanie Allen, Catherine Cassidy, Amanda Crane, Nina Dadducci, Kristen Dedrick, Brittany Forkus, Eric Francisco, Katie Horan, Christina Itarelli, Shannon LoConte, Brooke Lavoie, Nicholas Licciardi, Jessica Lucey, Abbi Massey, Andrea Minahan, Breanah OHandley, Cynthia Om, and Alex Parsons.

The stage managers, Sam Iwen and Mary Kate Kelley, did their part to ensure a good production. The orchestra led by conductor, Thomas Walters, was comprised of members of Methuen High Ranger Band and faculty.
Directed by Laurel A McMahon, Pippin was performed on March 7, 2008 and March 8, 2008 at 7:00 PM.

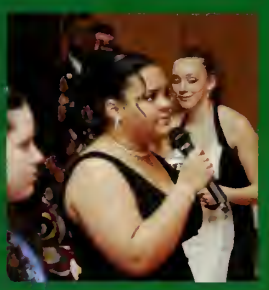
JROTC

Military Ball



The goal of JROTC is to motivate young people to become better citizens. Through his program, cadets learn discipline, leadership skills, and most importantly, respect for themselves and others. Basic Civil commands are mastered as well as basic military history. The Military Ball, pictured here, is JROTC's biggest event of the year. Military Ball Coordinator, Ashley Brightman as well as fellow cadets planned and executed this long anticipated event this past March. The Corps of Cadets is growing every year, as more students become interested in this vigorous program.
